

THE URBAN UNIT

HIRING OF INTERNATIONAL INDIVIDUAL CONSULTANTS

The Government of Punjab (GoPb) aims at developing a Punjab (Provincial) Spatial Strategy 2018-2040 for the purposes of assessing the potential of Punjab's growth corridors and growth nodes and to prioritize and coordinate investments around them. The strategy will provide a reflection of current trends and functional relationships throughout the province and thus will improve the prospects of urban growth and economic investments within the Province. The Urban Unit (on behalf of GoPb), Lahore, Pakistan requires support of qualified, experienced and dynamic professionals for the Project.

The Urban Unit intends to hire following experts as consultants for leading core team of specialists for the development of the Punjab Spatial Strategy. The experts will be required intermittently for a period of two years, and will have to work remotely for most of the consultancy duration.
